

A young woman with dark hair pulled back, wearing a black blazer over a white collared shirt, is sitting at a desk. She is looking directly at the camera with a slight smile. The background is a modern office with dark walls, a desk lamp, and some office equipment.

# OXFORD ACADEMY OF EXCELLENCE

EDUCATE TO INNOVATE

## FUTURE LAWYERS PROGRAM

IMMERSE YOURSELF IN LAW

📍 LONDON | OXFORD | CAMBRIDGE

## COURSE OVERVIEW

Step into the dynamic field of law with the **Future Lawyers Program**! This program is crafted to sharpen your legal reasoning, deepen your understanding of legal frameworks, and equip you with essential skills for a future in law.

## WHY CHOOSE US?

Our program provides a hands-on, immersive experience that prepares aspiring lawyers for the complexities and excitement of the legal world:

### **Real-World Legal Experience**

Engage in simulations, case studies, and interactive exercises that bring legal concepts to life.

### **Personalized Legal Research Project**

Work 1:1 with mentors to conduct a research project tailored to your interests, focusing on contemporary legal issues and inspired by insights from top universities.

### **University & Career Support**

Receive guidance on subject choices, building a strong CV, and powerful interview techniques to launch your legal career.

### **Learn from Legal Experts**

Study with experienced legal professionals who bring insights from prestigious law firms and leading universities.

### **Explore Diverse Legal Fields**

From criminal law and human rights to corporate and international law, discover the areas that shape today's legal landscape.

### **Reference Letters**

Based on individual performance and project work, students may receive personalized reference letters from mentors, providing a valuable addition to university and career applications.

### **Experience Oxford, Cambridge, & London**

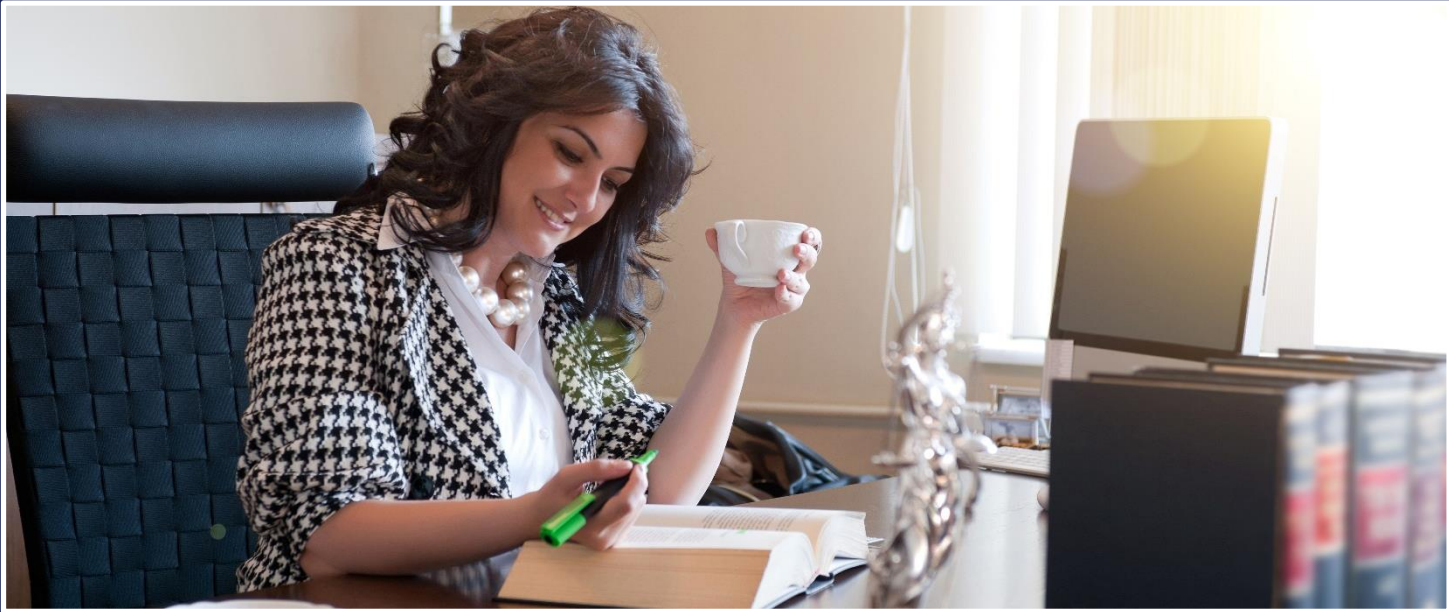

Enjoy three full-day excursions during the program—one to Oxford, one to Cambridge, and one to London. Tour iconic law schools, historic legal sites, and courts, with some free time to explore these prestigious cities.

EXPLORE OUR CURRICULUM

The Academic Insights curriculum combines fundamental legal concepts with practical applications, providing a solid foundation in various branches of law.

MODULE TITLE	MODULE DECRPTION
<b>Module 1:</b> Foundations of Legal Systems and Justice	Learn about the fundamental principles of justice, lawmaking, and governance. This module covers essential aspects of common and civil law systems, the separation of powers, and constitutional frameworks, inspired by the teachings of top law schools. You'll explore real cases that have shaped modern legal systems and gain insights into the workings of courts and the roles of legal professionals.
<b>Module 2:</b> Criminal Law and Forensic Analysis	Dive into the fascinating world of criminal law, studying how laws are applied, enforced, and challenged. Inspired by leading criminal justice research, this module covers criminal responsibility, defense strategies, and key legal precedents. Activities include case studies, mock trials, and forensic analysis exercises to help you understand how evidence is used to build a strong legal argument.
<b>Module 3:</b> International Law and Human Rights	Explore the principles of international law and human rights, studying key conventions and treaties that govern global interactions. This module examines the rights of individuals, the obligations of states, and the role of organizations like the United Nations. Engaging activities include analyzing landmark human rights cases and simulating international negotiations, inspired by research from global institutions.
<b>Module 4:</b> Business and Corporate Law	Gain a practical understanding of business law, including corporate governance, contract law, and intellectual property rights. This module offers insights into how businesses operate within legal frameworks and the role of corporate lawyers in maintaining compliance. Activities include contract drafting workshops, intellectual property case studies, and simulated corporate advisory sessions, inspired by real-world corporate law practices.

IMMERSIVE EXPERIENCE: WEEK 1

Each module includes hands-on projects, competitions, 1:1 mentorship, and skill-building activities to deepen your learning

Legal Systems and Justice	Study landmark cases, analyze court structures, and explore the foundational principles of lawmaking and governance.
Criminal Law and Forensic Analysis	Participate in mock trials, build defense and prosecution arguments, and examine forensic evidence.
International Law and Human Rights	Engage in global case studies, simulate international negotiations, and understand treaty implications.
Corporate Law and Business Essentials	Draft contracts, navigate intellectual property issues, and participate in corporate advisory role-plays.
1:1 Personalized Research Project	Choose a research topic aligned with your interests and work closely with a mentor to explore it in depth, using insights from top universities and legal frameworks.
Professional Skills	Get guidance on impactful subject choices, build a standout CV, refine your interview techniques, and receive career advice from industry experts.

PRACTICAL EXPERIENCES AND EXCURSIONS

Experience the law firsthand with visits to prestigious legal institutions and historic sites open to the public:

- Supreme Court in London**  
Tour the UK’s highest court, exploring its significant cases, the role of justices, and the court’s contributions to legal precedent.
- Old Bailey (Central Criminal Court)**  
Visit this renowned criminal court to understand the history of justice in the UK and witness real-world court proceedings.
- Cambridge and Oxford Law Faculties**  
Tour the historic law faculties and libraries, gaining insights into the environments that shape legal scholars.
- London’s Inns of Court**  
Walk through the Inns of Court, where barristers train and practice, to understand the heritage and significance of legal practice in England.

These experiences bring classroom knowledge to life, allowing students to immerse themselves in the traditions and modern workings of the legal system.

## ALUMNI FEEDBACK

### Hear from Our Alumni:

"The Future Lawyers Program gave me invaluable insight into the legal profession! From mock trials to forensic analysis, every part of the program helped me build confidence and practical skills."

– Sofia Martinez

"I loved exploring criminal law and practicing my debating skills. The mentors were supportive and insightful, and my 1:1 project helped me solidify my interest in human rights law."

– James Kim

"The program's corporate law section gave me a clear understanding of business law and contracts, and the career guidance really set me up for university applications."

– Emily Chen

"This experience was transformative! The hands-on practice and professional mentorship gave me a solid foundation and clear direction in law."

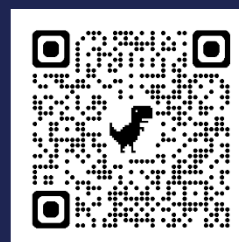

– Liam O'Neill
